

2025 SUMMER SHOOTOUT TIRE IMPOUND RULES

1. All CMS Summer Shootout marked tires are to be used at Charlotte Motor Speedway ONLY. The first time you come to the track, your Summer Shootout marked tires must be new with sticker/nubs and must be used on that assigned car the entire Summer Shootout.
2. After the first time your marked Summer Shootout tires go onto the race track, they must be impounded that night.
3. Drivers that purchase Summer Shootout tires and are not planning on running every Summer Shootout race must have their tires in impound within one week of picking up or delivery of these tires or have written approval from John Kelly/Scott Reinhardt for other arrangements. Drivers that purchase Summer Shootout tires and do not run the Summer Shootout with those tires will be subject to having their 2025 INEX license suspended and monetary fines up to \$1000.00 may be issued. Any driver that registers & receives 6 new tires

must run a minimum of 4 CMS Summer Shootout races.

4. The tire impound building “schedule” for opening and closing times will be posted on the band app., on the tire impound building and in the INEX tech area.
5. Summer Shootout marked tires can be run on practice days if you choose. You may also use your own Hoosier Legend / Bandolero tires from home for practice. Summer Shootout marked tires used in practice or race day must be turned into impound after the end of that practice/race day.
6. After your first time on track with your Summer Shootout marked tires they are required to be impounded. The first time you head to the track with your Summer Shootout marked tires they must be new with nubs like you received them from US Legends.
7. Any Summer Shootout marked tires damaged during race conditions can be replaced in hot pit with a used INEX legal tire. At the end of each event, any “replaced” tires must be inspected & verified by INEX and will become part of your 6 Summer Shootout marked tires.
8. Damaging a tire intentionally will be considered a physical alteration and will carry the penalty listed in the tire rules for physical alterations.

9. It is the driver's responsibility that each car has its assigned tires on that car for all competition. And that the Summer Shootout marked tires are returned to impound every night. Once used, Summer Shootout marked tires are not allowed to leave the speedway.
